Employee Survey

Our top priority as a company is to ensure that our employees are safe and feel supported in this current environment. As a result, we will be launching a survey programme to capture your feedback on this topic.

We care deeply about our employees and value your opinion. The goal of this survey is to enable us to get a pulse on how our employees are feeling given the current events and measure the impact the current changes are having on you.

Measuring this will allow us to make changes to support you appropriately.

Our promise to you is that this is a **completely anonymous** survey, so please be honest with your feedback.

You will receive an email invitation on [date], and the survey will be open for three days. It will take 10/15 minutes to complete so, please take the time during your working day to submit it.

If you have any questions or concerns, please don't hesitate to contact me. You can email me at **[email]** or call me on **[number]**.

Thank you for your participation.

Sincerely,
